A recent dinner which was not meant as an announcement dinner turned out as a fairly good substitute after all. It seems that the young man with the raven locks has been endeavoring in more ways than I have time to tell to more ways than I have time to tell to outwit the swain with the golden hair, and he at last succeeded. On the very day when the ring was given back to the golden-haired youth for the last time he of the raven locks gave a dinner, at which the malden was seated on his right hand. And, behold, although no one read the legend aloud, all could see it in the face of the host, "It is all off with him."

DRUEHL AND FRANKEN,

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address:

One of the Newest Style Frocks for Spring Is This---

They're mighty stunning looking frocks-more so than the picture gives idea. Demi-costumes they are; to wear for afternoon function and street. Made of the soft chiffon taffeta, in rich color of mahogany, blue, red, gray and so on. The illustration shows fairly well the pretty blouse with girdle and yoke; the quaintly puffed sleeves and puffing on the skirt. The demi-costume style, however, is but one of many. As ever, Dame Fashion is most prodigal of innovation. The jacket, suits; the shirt waist suits; Peter Thompson sailor suits for women offer attractive displays. Some are made of white serge and mohair, others in dark rich color silk, brilliantine, volle, henrietta; the coat suits in different cloths-all especially charming this season. Prices are moderate, \$25 and up to \$65.

New covert jackets for spring have just gone into stock. Box and fitted styles, silk and satin lined. \$15 to \$27.50.

New Mohairs You Have Not Known---But May

Mohairs, as you know, are to push silks hard as first favorites for shirt waist suits this season. The colorings are quite as pretty, the patterns, too, and the wear service-well inconceivably better. Blue grounds, brown grounds, tan grounds, green grounds, white grounds with slashes, dots, stripes, checks of contrasting color. Very choice selection as low priced as 50c a yard, others at all between prices up to \$3 a yard.
